

MCCE WATCHING SUPREME COURT DEVELOPMENTS

FOR IMMEDIATE RELEASE

(October 14, 2010) - Portland, Me - The plaintiffs in Cushing v McKee will file a renewed application for writ of injunction with Justice Anthony M. Kennedy of the United States Supreme Court today. Such renewals are allowed but are not favored by the Court.

After motions for injunction were denied by the District Court, the First Circuit Court of Appeals and Supreme Court Justice Stephen Breyer, the application to Justice Kennedy is the final option available to plaintiffs.

MCCE's legal team is closely following the Supreme Court action. Interviews with John Brautigam on request.
